

## Digital Writing and Publishing

### Today's Standard

11-12.W.6 - Use technology, including the Internet, to produce, publish, and update individual or shared writing products in response to ongoing feedback, including new arguments or information.

Cues	Notes
Digital writing	Digital writing involves using technology to enhance the writing process.
Collaborative tools	Collaborative tools like Google Docs allow multiple users to work on the same document simultaneously.
Online feedback	Online feedback can be diverse and valuable, providing different perspectives.
Publishing platforms	Publishing platforms enable writers to share their work with a broader audience.
Digital citizenship	Digital citizenship involves responsible and ethical use of technology.

### Summary

Digital writing leverages technology to enhance the writing process, facilitate collaboration, and enable broader sharing and feedback.
