

## Counting and Writing Numbers to 120

### Today's Standard

1.NBT.A1 - Count to 120, starting at any number less than 120. In this range, read and write numerals and represent a number of objects with a written numeral.

Cues	Notes
Counting	Counting to 120 from any number less than 120.
Numerals	Reading and writing numerals within this range.
Number Line	Representing quantities with written numerals.
Quantity	Understanding the fixed sequence of numbers.
Place Value	Using a number line to visualize number sequence.

### Summary

This standard involves counting to 120, starting at any number less than 120, and reading and writing numerals within this range. It is foundational for understanding place value and performing arithmetic operations.
