

Inflectional Endings

Today's Standard

1.RF.3f - Read words with inflectional endings.

Cues	Notes
What are inflectional endings?	Inflectional endings are suffixes added to words to indicate tense, number, or aspect.
Examples of inflectional endings	Examples include -s, -ing, -ed.
Why are inflectional endings important?	They help readers understand how words change to convey different meanings.
Common mistakes with inflectional endings	Students may think the root word changes completely or struggle with pronunciation.
How to practice inflectional endings	Practice through reading, writing, and phonics exercises.

Summary

Inflectional endings are suffixes that change the meaning of root words to indicate tense, number, or aspect. Understanding and correctly using them is essential for reading fluency and comprehension.
