

### Shared research and writing projects

#### Today's Standard

1.W.7 - Participate in shared research and writing projects (e.g., explore a number of "how-to" books on a given topic and use them to write a sequence of instructions).

Cues	Notes
Shared research	Shared research involves working together to gather information on a topic.
Writing projects	Writing projects can include creating guides, stories, or reports.
How-to books	How-to books provide step-by-step instructions on various tasks.
Sequencing	Sequencing is important to ensure steps are followed in the correct order.
Collaboration	Collaboration helps students learn from each other and share ideas.

#### Summary

Shared research and writing projects teach students to work together, gather information, and create structured written content. Understanding sequencing and collaboration are key components.
