

Comparing Different Story Versions

Today's Standard

2.RL.9 - Compare and contrast two or more versions of the same story (e.g., Cinderella stories) by different authors or from different cultures.

Cues	Notes
What are the main story elements?	Story elements include characters, settings, and plot.
How do different authors tell the same story?	Different authors bring their unique perspectives to the same story.
What is cultural context?	Cultural context refers to the cultural background and influences that shape a story.
Why is it important to compare versions of the same story?	Comparing versions helps us understand different perspectives and appreciate diversity in literature.
What are some examples of stories with multiple versions?	Examples include different versions of Cinderella from various cultures.

Summary

Understanding how different authors and cultures tell the same story helps students appreciate diversity in literature and develop critical thinking skills.
