

Understanding Text Through Illustrations

Today's Standard

3.RI.7 - Use information gained from illustrations (e.g., maps, photographs) and the words in a text to demonstrate understanding of the text (e.g., where, when, why, and how key events occur).

| Cues | Notes |
|--|--|
| What is the purpose of illustrations? | Illustrations provide additional information and context. |
| How do illustrations help in understanding the text? | They help clarify and enhance the text, making it easier to understand. |
| What are common misconceptions about illustrations? | Some misconceptions include thinking illustrations are just for decoration or that text alone is enough. |
| How can we use text and illustrations together? | Using both text and illustrations provides a fuller understanding of the material. |

Summary

Illustrations are essential for understanding texts as they provide additional information and context. Using both text and illustrations together enhances comprehension.
