

Extended and Short Writing Tasks

Today's Standard

3.W.10 - Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes, and audiences.

Cues	Notes
What is the importance of extended writing tasks?	Extended writing tasks allow for deeper exploration of topics.
Why is it important to revise writing?	Revising writing helps improve clarity and detail.
What are some examples of shorter writing tasks?	Shorter writing tasks include journal entries and letters.
How can students manage their time for writing projects?	Time management includes planning, drafting, and revising over multiple days.
What skills will students develop through this standard?	Students will develop research skills and the ability to tailor writing to different audiences.

Summary

This standard focuses on the importance of both extended and shorter writing tasks, emphasizing the writing process and time management. Students will improve their research skills and ability to revise their work.
