# Enhancing Presentations with Media

## Today's Standard

4.SL.5 - Add audio recordings and visual displays to presentations when appropriate to enhance the development of main ideas or themes.

| Cues | Notes |
|---|---|
| Key Terms | Multimedia: Using different types of media to enhance presentations. |
| Questions | Relevance: Ensuring that audio and visual elements support the main ideas or themes. |
| | Effectiveness: Evaluating how well the media elements enhance the presentation. |
| | Complement: Using media to add to the verbal presentation, not replace it. |
| | Critical Evaluation: Assessing the quality and relevance of media elements. |

## Summary

This standard teaches students to enhance their presentations with multimedia, ensuring that audio and visual elements support and complement their verbal communication.
