

Comprehending Informational Texts

Today's Standard

5.RI.10 - By the end of the year, read and comprehend informational texts, including history/social studies, science, and technical texts, at the high end of the grades 4–5 text complexity band independently and proficiently.

Cues	Notes
Main idea	Understanding the main idea is crucial for comprehending the text.
Key details	Key details support the main idea and provide important information.
Context clues	Context clues help in understanding unfamiliar words.
Real-world applications	Connecting the text to real-world applications enhances comprehension.

Summary

To comprehend informational texts, focus on the main idea, key details, and use context clues. Relate the information to real-world applications for better understanding.
