

## Summarizing Speaker's Points

### Today's Standard

5.SL.3 - Summarize the points a speaker makes and explain how each claim is supported by reasons and evidence.

Cues	Notes
Main points	Summarizing focuses on the main points and key evidence.
Evidence	A claim is a statement that needs support.
Reasons	Evidence provides the support for the claim.
Claims	Reasons explain why the evidence supports the claim.
Summarize	Effective summarizing involves identifying and condensing information.

### Summary

Summarizing a speaker's points involves identifying the main ideas and supporting evidence, and explaining how the evidence supports the claims.
