

## Research Projects

### Today's Standard

6-8.WHST.7 - Conduct short research projects to answer a question (including a self-generated question), drawing on several sources and generating additional related, focused questions that allow for multiple avenues of exploration.

Cues	Notes
Research	Research projects involve answering questions using multiple sources.
Sources	Students should learn to evaluate the reliability of sources.
Questions	Generating additional questions can lead to deeper understanding.
Inquiry	Research is an ongoing process that encourages continuous inquiry.

### Summary

Research projects require answering questions using multiple reliable sources and generating additional questions for deeper inquiry.
