

Discussion Preparation and Evidence Use

Today's Standard

6.SL.1a - Come to discussions prepared, having read or studied required material; explicitly draw on that preparation by referring to evidence on the topic, text, or issue to probe and reflect on ideas under discussion.

Cues	Notes
Preparation	Preparation is key for effective discussions.
Evidence	Use evidence from texts to support points.
Discussion	Engage thoughtfully in discussions by drawing on preparation.
Misconception	Misconception: Participation without preparation.
Intervention	Intervention: Structured preparation activities.

Summary

Effective discussions require preparation and the use of evidence to support points. Structured activities can help students overcome common misconceptions.
