

## Extended and Short Writing Tasks

### Today's Standard

6.W.10 - Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes, and audiences.

Cues	Notes
Extended writing	Extended writing involves tasks that take place over multiple days or weeks.
Short writing	Short writing can be completed in a single sitting or within a day or two.
Time management	Effective time management is crucial for balancing extended and short writing tasks.
Revision	Revision is an important part of the writing process, allowing for improvement and refinement.
Audience	Understanding the audience helps tailor the writing to be more effective.
Purpose	Each writing task should have a clear purpose to guide the content and style.

### Summary

This standard focuses on writing regularly for both extended and short time frames. It emphasizes the importance of time management, revision, and understanding the audience and purpose of each writing task.
