

Using Reference Materials

Today's Standard

7.L.4c - Consult general and specialized reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning or its part of speech.

Cues	Notes
What are reference materials?	Reference materials include dictionaries, glossaries, and thesauruses.
Why use both print and digital sources?	Using both print and digital sources ensures accuracy and comprehensive understanding.
How to find word pronunciation?	Word pronunciation can be found using phonetic spellings in dictionaries and audio pronunciations online.
What is the importance of parts of speech?	Knowing parts of speech helps in understanding how words function in sentences.

Summary

Using various reference materials helps in accurately finding word meanings, pronunciations, and parts of speech. Both print and digital sources are important for comprehensive understanding.
