

Author Point of View Comparison

Today's Standard

9-10.RH.6 - Compare the point of view of two or more authors for how they treat the same or similar topics, including which details they include and emphasize in their respective accounts.

Cues	Notes
Point of View	Point of View: The perspective from which a story or text is told.
Author's Purpose	Author's Purpose: The reason an author writes, such as to inform, entertain, or persuade.
Main Idea	Main Idea: The central thought or message of a text.
Supporting Details	Supporting Details: Evidence and examples that support the main idea.
Bias	Bias: A tendency to present information in a way that reflects a particular viewpoint.

Summary

Understanding how different authors approach the same topic helps develop critical thinking and analytical skills. By comparing points of view, students learn to identify biases and evaluate the credibility of sources.
