

Comparative Analysis of Artistic Mediums

Today's Standard

9-10.RL.7 - Analyze the representation of a subject or a key scene in two different artistic mediums, including what is emphasized or absent in each treatment (e.g., Auden's 'Musée des Beaux Arts' and Breughel's Landscape with the Fall of Icarus).

Cues	Notes
Key Terms	Artistic Mediums: Different forms of art such as literature, painting, film.
Questions	Literary Analysis: Examining themes, motifs, symbols in texts. Comparative Analysis: Comparing and contrasting different artistic representations. What is emphasized or absent: Identifying the focus and omissions in each medium.

Summary

This standard involves analyzing how different artistic mediums represent the same subject or scene, focusing on what is emphasized or absent in each treatment.
