

## Argumentative Writing in Specific Disciplines

### Today's Standard

9-10.WHST.1 - Write arguments focused on discipline-specific content.

Cues	Notes
What is the standard?	The standard focuses on writing arguments specific to different disciplines.
Why is discipline-specific writing important?	Discipline-specific writing helps tailor arguments to the conventions and expectations of different fields.
What are common misconceptions?	Common misconceptions include thinking all arguments are structured the same and that personal opinions are sufficient.
How can these misconceptions be addressed?	Address misconceptions by providing examples and emphasizing the use of credible evidence and discipline-specific content.

### Summary

The standard emphasizes writing arguments tailored to specific disciplines, addressing common misconceptions through examples and the use of credible evidence.
