

Question Words Usage

Today's Standard

K.L.1d - Understand and use question words (interrogatives) (e.g., who, what, where, when, why, how).

Cues	Notes
Who	Who: Used to ask about people.
What	What: Used to ask about things or actions.
Where	Where: Used to ask about places.
When	When: Used to ask about time.
Why	Why: Used to ask about reasons or purposes.
How	How: Used to ask about methods or processes.
Context	Context: Understanding the situation to use the correct question word.
Open-ended questions	Open-ended questions: Questions that require more detailed answers rather than just 'yes' or 'no'.

Summary

Understanding and using question words helps kindergarten students ask and answer questions effectively, enhancing their communication and comprehension skills.
