

## Sentence Capitalization

### Today's Standard

K.L.2a - Capitalize the first word in a sentence and the pronoun I

Cues	Notes
Capitalization	Capitalization is the practice of using uppercase letters at the beginning of certain words.
First word	The first word in any sentence should always be capitalized.
Pronoun 'I'	The pronoun 'I' should always be capitalized, no matter where it appears in a sentence.
Sentence structure	Proper capitalization helps in understanding and clarity in writing.

### Summary

Capitalization rules are essential for proper sentence structure. The first word in a sentence and the pronoun 'I' must always be capitalized.
