

Asking and Answering Questions

Today's Standard

K.SL.3 - Ask and answer questions in order to seek help, get information, or clarify something that is not understood.

Cues	Notes
Questions	Asking questions helps to understand new information.
Clarification	Answering questions helps to clarify and confirm understanding.
Information	Seeking help is a valuable skill in learning and problem-solving.
Help	Effective communication involves both asking and answering questions appropriately.

Summary

The ability to ask and answer questions is crucial for seeking help, gathering information, and clarifying understanding. It supports effective communication and learning.
