

Spelling Common and Irregular Words

Today's Standard

1.L.2d - Use conventional spelling for words with common spelling patterns and for frequently occurring irregular words.

Real-World Applications for this Standard

Writing simple sentences using correctly spelled words.; Reading and identifying common spelling patterns in books.; Playing spelling games that focus on common and irregular words.; Creating a word wall with frequently used words.; Engaging in spelling bees or spelling quizzes.

Today I Learned

Today in school, we learned how to spell words correctly. We focused on words that follow common spelling rules and some tricky words that don't follow the rules.

Common Stumbling Blocks

Sometimes, kids think all words follow the same rules, but some words are tricky and don't. Another common mistake is thinking that sounding out a word will always spell it correctly. But some words have silent letters or other surprises.

Quiz Me

- Can you spell the word 'cat'?
- What is a word that doesn't follow the spelling rules?
- How do you spell 'the'?
- Can you think of a word with a silent letter?
- What is a common spelling pattern you know?

Help Me

Spelling helps us read and write. Some words are easy and follow rules, like 'cat' and 'dog.' But some words are tricky and don't follow the rules, like 'the' and 'was.' Practice spelling these words to get better at reading and writing!
