Today I Learned

Today, we learned about words that don't follow normal spelling rules. These are called tricky words, like 'said' and 'was'.

Common Stumbling Blocks

Sometimes kids think all words follow the same spelling rules. But English has many tricky words. Another mistake is thinking they have to memorize all these words, but they can also use clues from the sentence to help them.

Quiz Me

- Can you spell the word 'said'?
- What is a tricky word you know?
- How can you figure out a tricky word when you read?
- Can you use the word 'was' in a sentence?
