Today I Learned

Today, we learned about reading aloud with accuracy, the right speed, and expression. This means reading stories and poems clearly and with feeling.

Common Stumbling Blocks

Sometimes kids think reading fast is more important than reading correctly. They might also think they don't need to use expression. Both of these ideas are not true.

Quiz Me

- Can you read this sentence aloud?
- Why is it important to read slowly and carefully?
- How can you use expression when you read?
- What happens if you read too fast?
- Can you show me how to read with feeling?

Help Me

Reading aloud helps you share stories and poems with others. It's important to read clearly, not too fast, and with expression so everyone can understand and enjoy the story.
