

## Key Steps in Historical Processes

### Today's Standard

6-8.RH.3 - Identify key steps in a text's description of a process related to history/social studies (e.g., how a bill becomes law, how interest rates are raised or lowered).

### Real-World Applications for this Standard

How a bill becomes law; How interest rates are raised or lowered; How elections are conducted; The process of immigration; How a historical event unfolded

### Today I Learned

Today, we learned how to find the important steps in a process, like how a law is made or how money rules change.

### Common Stumbling Blocks

Sometimes, kids think all steps are the same or mix up the order. We need to know which steps are most important and the right order they happen in.

### Quiz Me

- What is one important step in making a law?
- Can you tell me how interest rates change?
- What happens first in an election?
- What is one thing you need to know about immigration?
- How do you find the main idea in a story?

### Help Me

Understanding how things work in the real world helps us make better choices. For example, knowing how a law is made helps us understand our government better.
