

Correct Spelling Techniques

Today's Standard

8.L.2c - Spell correctly.

Real-World Applications for this Standard

Writing essays with accurate spelling; Creating professional emails; Composing resumes and cover letters; Writing social media posts; Completing spelling bees; Proofreading and editing written work

Today I Learned

Today, I learned about spelling correctly. It's important to spell words the right way so people can understand what we write.

Common Stumbling Blocks

Sometimes, kids think spell-check always gets it right, but it can make mistakes. Also, not all spelling rules work all the time. Some words are different.

Quiz Me

- Can you spell 'necessary'?
- What tool can help you check your spelling?
- Is spell-check always right?
- Can you name a word that doesn't follow the usual rules?
- Why is it important to spell words correctly?

Help Me

Spelling words correctly helps people understand what you write. You can use spell-check, but it's also good to check your work yourself. Some words don't follow the rules, so it's important to practice and remember them.
