

Informative/Explanatory Writing Skills

Today's Standard

9-10.W.2 - Write informative/explanatory texts to examine and convey complex ideas, concepts, and information clearly and accurately through the effective selection, organization, and analysis of content.

Real-World Applications for this Standard

Writing research papers; Creating how-to guides; Developing technical documentation; Crafting news articles; Producing educational content

Today I Learned

Today, we learned about writing informative texts. This means writing to explain something clearly and accurately.

Common Stumbling Blocks

Some kids think that these texts don't need to be organized. Others think using big words makes their writing better. Both are not true.

Quiz Me

- What is an informative text?
- Why is it important to organize your writing?
- What should you focus on when choosing words?
- Why is clarity important?
- How can you improve your writing?

Help Me

Writing informative texts helps us explain things clearly. For example, writing a how-to guide or a news article. It's important to be clear and organized so others can understand.
