Today I Learned

Today, we learned about prepositions like 'to', 'from', and 'in'. These words help us describe where things are and how they relate to each other.

Common Stumbling Blocks

Sometimes, kids might mix up prepositions with other words like 'and' or 'but'. They also might use too many prepositions in one sentence. We need to practice to get it right!

Quiz Me

- What is a preposition?
- Can you give me an example of a preposition?
- Where would you use the word 'in'?
- What does 'on' tell us in a sentence?
- Can you make a sentence using the word 'by'?
