

High-Frequency Words Recognition

Today's Standard

K.RF.3c - Read common high-frequency words by sight (e.g., the, of, to, you, she, my, is, are, do, does).

Real-World Applications for this Standard

Reading simple sentences in storybooks; Identifying high-frequency words in environmental print (e.g., signs, labels); Playing sight word bingo; Creating flashcards for practice; Using high-frequency words in daily writing activities

Today I Learned

Today we learned about high-frequency words. These are common words that we see a lot in books and signs. Knowing these words helps us read faster and understand stories better.

Common Stumbling Blocks

Sometimes kids mix up words that look alike. They might also try to sound out every word instead of just knowing it by sight. Practicing with flashcards and games can help.

Quiz Me

- Can you find the word 'the' in this book?
- What word is this? (show flashcard with 'is')
- Can you use the word 'my' in a sentence?
- What word do you see on this sign? (show a sign with 'do')
- Can you read this sentence: 'She is my friend.'?

Help Me

High-frequency words are words we see a lot, like 'the' and 'is'. Knowing these words helps us read signs and books faster. We can practice by playing games and using flashcards.
