

Understanding Key Details

Today's Standard

K.RI.1 - With prompting and support, ask and answer questions about key details in a text.

Real-World Applications for this Standard

Asking questions about a story read aloud; Discussing key details from a picture book; Identifying main points in a simple informational text; Exploring details in a class discussion about a non-fiction book; Creating a drawing that represents key details from a text

Today I Learned

Today we learned how to ask and answer questions about important details in a story. This helps us understand what we read better.

Common Stumbling Blocks

Some kids think all parts of a story are equally important, but some details are more important than others. Also, some kids think they don't need to ask questions if they understand the main idea, but asking questions helps us learn more.

Quiz Me

- What is the story about?
- Who is in the story?
- Where does the story happen?
- What is one important thing that happens?
- Can you ask a question about the story?

Help Me

When we read a story, we look for the most important parts to understand it better. Asking questions about the story helps us learn and remember more. For example, if we read a book about animals, we can ask questions like 'What do these animals eat?' or 'Where do they live?'
