

## Understanding Key Details in Stories

### Today's Standard

K.RL.1 - With prompting and support, ask and answer questions about key details in a text.

### Real-World Applications for this Standard

Discussing story events during storytime; Asking questions about a favorite book; Retelling a story to a friend or family member; Identifying main characters and settings in a story; Explaining what happened first, next, and last in a story

### Today I Learned

Today, we learned how to ask and answer questions about important parts of a story. This helps us understand the story better.

### Common Stumbling Blocks

Sometimes kids think they should only ask questions when they don't understand something. But it's also good to ask about interesting parts. Another problem is thinking their ideas aren't important if the teacher doesn't mention them. But every question and observation is valuable!

### Quiz Me

- Who is the main character in the story?
- Where does the story take place?
- What happened first in the story?
- Can you tell me something interesting you noticed?
- What was your favorite part of the story?

### Help Me

When we read stories, it's important to ask questions about what happens. This helps us understand the story better. For example, we can talk about who is in the story, where it happens, and what the characters do. This makes reading more fun and helps us learn more!
