

## Early Writing Skills

### Today's Standard

K.W.10 - (Begins in grade 3)

### Real-World Applications for this Standard

Writing simple sentences; Drawing and labeling pictures; Practicing letter formation; Sharing stories verbally; Creating a class book

### Today I Learned

Today, we learned about early writing skills. This includes recognizing letters, writing simple words, and telling stories.

### Common Stumbling Blocks

Some kids think writing is just about spelling words right. Others think they need to write perfectly the first time. But writing is about sharing ideas and getting better over time.

### Quiz Me

- Can you show me how to write the letter 'A'?
- What story did you tell today?
- Can you draw a picture and write a word about it?
- What does it mean to write a sentence?
- Why is it okay to make mistakes when writing?

### Help Me

Writing helps us share our ideas. We can start with drawing pictures and writing simple words. It's okay to make mistakes because that's how we learn!
